Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Operations

One On One, aka changedlives.org, (the Organization) is a nonprofit, Tennessee corporation organized in 1968 and has been a member of the Evangelical Council for Financial Accountability (ECFA) since 1987. For 33 years, Changed Lives produced a weekly, worldwide TV and radio program featuring Ben Haden as speaker, provided reprints of all messages and distributed Bibles and Christian books to listeners. In 2001, Changed Lives transitioned to the 24/7 global reach of the internet via changedlives.org, continuing to feature Ben Haden on both video and audio.

In 2006, Changed Lives legally changed its name to changedlives.org. In 2008, changedlives.org added its continuing weekly radio broadcasts to the website, enabling the listener to hear any given radio broadcast 24/7. In 2007, changedlives.org began featuring short, conversational segments with Ben Haden, all new video recordings, ranging from 3 minutes to 10 minutes, while continuing to feature Ben Haden's messages and weekly radio broadcasts.

Ben Haden went to be with his Heavenly Father in October, 2013.

In December, 2014, changedlives.org launched a new book series called One on One, A Minute With Ben, featuring Ben Haden's exact words from original live recordings in a daily, easy-to-read-in-one-minute format. The One on One book series expanded to audio and to Facebook.

In April, 2019, changedlives.org legally changed its organizational name from changedlives.org to One On One – reflecting Ben Haden's direct, conversational style of speaking over five decades, from 1963 to 2013. One On One, aka changedlives.org, continues to feature the weekly radio broadcasts "Changed Lives", the website changedlives.org, the One on One series in book, eBook, audio and Facebook, the distribution of CDs, DVDs and books, all by Ben Haden. Ben Haden was a former CEO of a daily newspaper, attorney, CIA agent, author and a pastor of 36 years.

One On One, aka changedlives.org, is nondenominational, neither underwritten by nor answerable to any individual denomination. It is geared to men and women - in plain language with both unbeliever and believer in mind.

The ministry of One On One, aka changedlives.org, will continue to present five decades of Ben Haden's thought-provoking sermons, messages, conversations, Bible teachings and discussion about Jesus Christ, both nationally and globally, through changedlives.org, the One On One series, FM radio, social media, books and eBooks and new CDs, DVDs. This will allow individuals to share with family and friends of all ages and in their sphere of influence.

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America and, accordingly, include only those assets, liabilities, and results of operations relating to the activities of the Organization.

Basis of presentation

The financial statements are presented in accordance with Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 958-205, *Not-for-Profit Entities, Presentation of Financial Statements*. The provisions of Accounting Standards Update (“ASU”) 2016-14: Not-for-Profit Entities (Topic 958) Presentation of Financial Statements of Not-for-Profit Entities improves the current net asset classifications and the related information presented in the financial statements and notes about the Organization’s liquidity, financial performance, and cash flows. The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported support, revenues and expenses. Actual results could vary from the estimates that were used.

Cash and cash equivalents

The Organization maintains its cash accounts at various financial institutions. Short-term, liquid investments with original maturities of three months or less are considered to be cash equivalents and are presented as cash.

Property, equipment and depreciation

Property and equipment are stated at cost. Donated assets are capitalized at their fair market value on the date of the gift. Repair and maintenance costs are charged to expense as incurred; significant renewals or betterments greater than \$500 are capitalized. Depreciation is provided on the straight-line basis over the estimated useful lives of the depreciable assets. Depreciation expense totaled \$21,599 for the year ending September 30, 2020.

Inventories

Inventories, consisting of books, DVDs, and CDs, are stated at the lower of cost (first-in, first-out basis) or net realizable value.

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Donated services

The Organization receives donated services from unpaid volunteers who assist in administrative services. No amounts have been recognized in the Statement of Activities because the criteria for recognition under ASC No. 958 have not been satisfied.

Contributions

Contributions received are recorded as support with donor restrictions or support without donor restrictions depending on the existence or nature of any donor restrictions. Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of donated assets. When a stipulated time restriction ends or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized.

Functional allocation of expenses

The costs of providing various programs and other activities for the Organization have been summarized on a functional basis in the statements of activities. Most expenses can be directly allocated to one of the programs or supporting functions. Certain categories of expenses are attributed to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses in this category include rent, depreciation, office expenses, utilities, insurance, salaries and benefits, payroll taxes, dues and subscriptions, and travel and promotion. The basis of allocation of salaries and wages and related payroll taxes is based on the best estimate of salary expense and indirect expenses incurred for each function.

Financial statement presentation

The Organization reports information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of directors.

Net assets with donor restrictions - Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. As of September 30, 2020, the Organization does not have donor restricted funds which are required to be maintained in perpetuity.

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Financial statement presentation (continued)

Board designated net assets- Net assets without donor restrictions subject to self-imposed limits by actions of the Organization's Board of Directors. Board designated net assets may be earmarked for future programs, investment, contingencies, purchase or construction of fixed assets, or other uses. The Organization currently has \$225,000 of board designated net assets reserved for the development of a cell phone app and a new website to further support their mission - and \$340,388 designated as an annuity for the retirement of a key employee, respectively.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. For contributions restricted to the acquisition of property and equipment, the restrictions are released when the asset is placed in service unless the donor has provided more explicit requirements.

Uncertain tax positions

Under professional guidance, an Organization must recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination with taxing authorities. The Organization does not believe there are any material uncertain tax positions and, accordingly, it will not recognize any liability for uncertain tax positions. For the year ended September 30, 2020, there were no interest or penalties recorded or included in its financial statements. The returns for 2017 and beyond remain subject to examination.

(2) LIQUIDITY

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. It has a strict budget which is monitored throughout the year. In addition, the Organization invests cash in excess of daily requirements in short-term money market accounts. The following represents the Organization's financial assets at September 30, 2020:

Cash and cash equivalents	\$ 334,273
Investments	<u>5,304,931</u>
 Financial assets, without donor-imposed restrictions, available to meet cash needs for general expenditures within one year	 <u><u>\$5,639,204</u></u>

Investment expense	<u>(41,186)</u>
Total investment income	<u>\$ 318,453</u>

(4) FAIR VALUE MEASUREMENTS

The Organization's investments are reported at fair value in the accompanying financial statements. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Organization uses professional guidance which establishes a framework for measuring fair value. This guidance defines fair value as the price the Organization would receive upon selling an investment in an orderly transaction to an independent buyer in the principal or most advantageous market for the investment. It establishes a three tier hierarchy of inputs to establish a classification of fair value measurements for disclosure purposes.

NOTES TO FINANCIAL STATEMENTS

(4) FAIR VALUE MEASUREMENTS (continued)

The three levels of the fair value hierarchy are described as follows:

Level 1

Inputs are unadjusted and represent quoted prices in active markets for identical assets or liabilities at the measurement date.

Level 2

Inputs (other than quoted prices included in Level 1) are either directly or indirectly observable for the asset or liability through correlation with market data at the measurement date and for the duration of the instrument's anticipated life.

Level 3

Inputs are unobservable and supported by little or no market activity.

Fair values of assets measured on a recurring basis at September 30, 2020 are as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Equities	\$ 4,494,647	\$ -	\$ -	\$ 4,494,647

Equity securities are classified in Level 1 of the fair value hierarchy. Investments classified in Level 3 consist of directly held investments that have valuation based on input other than quoted prices.

The following presents activity for the year ended September 30, 2020 regarding fair value measurements using significant observable inputs (Level 3):

(5) SPECIAL PROJECTS

With the mission to make **Five Decades of Ben Haden’s Timeless Thoughts, Insights, Conversations, Original Messages and Bible Studies** available today, and for decades to come, following Ben Haden’s death in October, 2013, Changed Lives embarked on five critical projects in late fiscal 2013 and fiscal 2014 that have continued through fiscal 2020. These critical projects ran parallel to each other from a timing standpoint. Additional critical projects commenced in fiscal 2017, again running parallel to all critical projects already in the works. Many projects continued in fiscal 2020 and wrapped up, while a few will continue into fiscal 2021.

By running these critical projects in parallel, the mission of making **Five Decades of Ben Haden’s Timeless Thoughts, Insights, Conversations, Original Messages and Bible Studies** available today, and for decades to come, has been dramatically expedited. Investment spending on these special critical projects during fiscal 2020 totaled **\$123,989**. As of fiscal 2020 year-end, investment spending on all of these special critical projects since inception totaled **\$2,272,663**.

One on One, A Minute With Ben Project (continued)

Entre Tu Y Yo I & II – the Spanish book version of **One on One** has been produced and stands ready for a targeted launch beyond initial distribution to church groups in fiscal 2022 (post COVID-19 pandemic).

Investment spending on **One on One, A Minute With Ben** project during fiscal 2020 totaled **\$8,825**. Investment spending on **One on One, A Minute With Ben** project since inception totaled **\$1,226,774**.

Digital Conversion Project

Ben Haden’s messages were **recorded live for five decades**, from **1963 to 2013**, across multiple recording formats spanning the same time period. The earlier messages exist only in audio, the later in audio and video. A massive, coordinated project to convert each and every message from its original format into today’s digital format has been under way. Originals are sent outside to experts for the creation of first-generation digital masters. Investment spending on this project during fiscal 2020 totaled **\$41,594**. Investment spending on Digital Conversion project since inception totaled **\$423,182**. Project is almost complete.

In the course of the Digital Conversion project, once first-generation digital masters have been created from the original recording formats and then approved and triple-checked – the old, original formats become eligible for destruction. Spending on destruction of old, original formats during fiscal 2020 totaled **\$6,278**. Critical staging and support of this Digital Conversion Project during fiscal 2020 totaled **\$10,601**.

Digital Library and Broadcast Project

All first generation and final digital masters are entered into the Digital Library and then, one by one, are checked for quality, listened to from start to finish, and then replicated into multiple digital formats for use via social media, internet and radio broadcast (specific broadcast introduction and closing are added for certain broadcasts). This project is highly time-intensive and makes many, many thousands of stored original recorded messages in old formats now usable. Investment spending on this project in fiscal 2020 totaled **\$53,275**. Investment spending on Digital Library & Broadcast project since inception totaled **\$269,406**. Project continues into fiscal 2021.

New Collections Project (Books, eBooks, & Audio Collections)

Over 80 new collections – some book and eBook, others audio or video -- have been researched, created, developed (many produced, some still in pipeline) – and offered at no cost to the recipient since fiscal 2014. These collections, all coming direct from Ben Haden’s body of work spanning 1963 to 2013, can now live digitally across multiple formats going forward.

Database Project

Changed Lives has utilized a special custom built ('93) UNIX program for its Donor & Non-Donor database. In fiscal 2015, efforts commenced "to upgrade and modernize" the existing UNIX program. In fiscal 2019, the decision was made to move from these efforts and to transition into Donor Perfect, a top-rated, comprehensive fundraising software program that helps manage donations, contacts, receipting, reporting, email, events, and all fundraising initiatives from a single platform – streamlining daily and seasonal processes, and, therefore, dramatically increasing efficiencies and lowering costs, and decreasing response times to donors.

Fiscal year 2020 saw the movement of 43,000 records from UNIX to Excel to Donor Perfect – all before the COVID-19 pandemic began. During the pandemic, the fiscal year 2020 focus has been perfecting each of the new 43,000 records in Donor Perfect for accuracy, email addresses, historical data and fiscal 2019 data. Donor Perfect was partially utilized for April Easter 2020 mailing, allowing time for a learning curve leading into the 2020 Christmas season. Investment spending on this project in fiscal 2020 totaled **\$3,416**. Investment spending on Database project since inception totaled **\$60,007**.

Longevity & Reach Project

Completion of all parallel critical projects will yield **Five Decades of Ben Haden's Timeless Thoughts, Insights, Conversations, Original Messages and Bible Studies** – a highly organized digital library, all usable in multiple digital formats and ready for broadcast/social media and internet; a usable digital and "as spoken transcript" library; targeted collections of messages for books/eBooks & audio/video); a highly usable database of Donors, Non-Donors; a cost-effective and efficient Donor Perfect software, and One on One in all its forms. The beginning of a "longevity and reach" game plan was initiated in November 2017 – looking at many possible scenarios, models and strategies, taking the above Ben Haden messages and organized "tools and components" to maximize future longevity in the decades to come – and to maximize both broad and targeted reach efforts. Investment spending since inception totaled **\$22,614**.

As Spoken Project

All final digitalized masters of messages must be mechanically transcribed, and then the task of comparing this mechanical transcription to the "As Spoken" voice of Ben Haden on the digital master begins. This last step ensures the final transcription (one that will live for decades to come in the Digital Library side by side with its matching now-digital original recording) truly captures the words, the pauses, the intonations – as

(7) CONCENTRATION OF CREDIT RISK

The Organization maintains its cash in financial institutions insured by the Federal Deposit Insurance Corporation (FDIC). The deposits at times may exceed the federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on such deposits.

As of December 31, 2020, there were approximately \$71,000 in funds deposited in financial institutions that exceeded the FDIC limit.

(8) RISKS AND UNCERTAINTIES

During March 2020, a global pandemic was declared related to the rapidly growing outbreak of a novel strain of coronavirus (COVID-19). The pandemic has significantly impacted the economic conditions across the nation as federal, state, and local governments react to the public health crisis, creating significant uncertainties in the economy. This situation is rapidly changing, and additional impacts may arise. While the disruption is currently expected to be temporary, there is uncertainty around its duration. The ultimate future impact, if any, of the pandemic on results of operations, financial position, liquidity or capital resources cannot be reasonably estimated at this time.

(9) SUBSEQUENT EVENTS

On March 15, 2021, one of the three parcels of the real estate interest held in investments was sold in the amount of \$168,750.
